Description:

Review Awarded the Crowned Heart for Excellence - "An exciting cross between fantasy and steampunk with some low-level Christian elements, Lee and Creeden have written a fantastic blended story and the reader will be engaged almost from the first line. Readers looking for a light steampunk or faery story will enjoy *Armored Hearts*. The romance is not insta-love (nor even fully explored) but readers will enjoy the action and will look forward to a sequel." -*InDtale Magazine*
