Description:

Completely up to date with the latest terms and procedures, MEDICAL LANGUAGE: FOCUS ON TERMINOLOGY, 3e emphasizes word parts and word-building.. Focusing on the terminology instead of the context, the text provides just enough content on the anatomy of each body system to help you understand the related disease, diagnostic and surgical terms. It also equips you with tools to analyze and define medical terms, along with techniques to build medical terms from roots, prefixes, and suffixes. The Third Edition's Medical Terminology Learning Lab, innovative digital solution, will

helps you understand the relevance of medical terminology, including how you will apply and use this knowledge in your career.
