Description:

Start preparing for your future - today!

The new edition of this award-winning text, written by renowned NP educator and certification preparation expert Dr. Margaret Fitzgerald. A must read for anyone taking the NP certification exam. Develop critical thinking and test-taking skills for the exam and the firm knowledge-base needed for both the exam and practice.

The 5th edition delivers the latest guidelines, recommendations, diagnostic and treatment protocols, and procedures -everything critical to passing the NP boards.

More than 2,300 prep questions, available online and in text to reinforce learning and practice test-taking skills.
