Description:

Makes science accessible at all levels by showing how psychology is relevant to students' everyday lives.

Author Sarah Grison—an expert in the teaching of introductory psychology—has created a print and

digital package with an equal commitment to the success of every instructor and student. A strong, author-driven support package—rich with original media, a test bank, Active Learning slides, and InQuizitive adaptive learning modules—provides instructors with everything they need to help today's students understand and apply introductory psychology.
