Description:

Stunning Digital Photography is much more than a book; it's a hands-on, self-paced photography class with over 12 hours of online training videos and free help from the author and other readers. That's why award-winning author and photographer Tony Northrup's book is the #1 photography e-book with over 100,000 readers.

This book gives you five innovations no other book offers:

- 1) **Free video training.** Watch over 12 hours of fast-paced, hands-on video tutorials integrated into the book to support and reinforce the lessons. View the videos using any web browser or by scanning QR codes with your smartphone.
- 2) **Hands-on practices.** Complete the practices at the end of every chapter to get the real world experience you need.
- 3) **Practice quizzes.** At the end of Chapters 2-13 you have the option of taking an online quiz to apply what you learned in the chapter and make sure you didn't miss anything important.
- 4) **Classroom support.** Join an author led private community of supportive, helpful people who also want to improve their photography.
- 5) **Free ebook with lifetime updates.** When you buy the book and join the private Stunning Digital Photography readers community, you can download the ebook and copy it to your smartphone or ereader for easy reference. The ebook is regularly updated with new content and videos as new photography trends and equipment emerge, so it never becomes outdated.

In this book, beginner photographers will master:

- * Using **composition** to take great photos with any camera
- * Adjusting **exposure** to control the brightness of your photos
- * Setting your **shutter speed** to freeze action or blur motion
- * Controlling your **aperture** to blur or focus the background
- * Setting your **ISO** for bright and dark environments
- * Finding beautiful **natural light** for landscapes and portraits
- * Using **flash** without the ugly effects
- * **Troubleshooting** blurry, dark, and bad pictures
- * Taking great pictures of **pets**
