Description:

Third-grader Braden loves to be the center of attention. His comic genius, as he sees it, causes his friends to look at him in awe. But some poor decision-making, like ill-timed jokes in class and an impulsive reaction during gym that left a classmate teary-eyed and crumpled on the floor, forces the

adults in Braden's life to teach him about impulse control. But will the lessons shared by his teachers and his mom really help Braden manage his impulses? Find out in this hilarious story by Bryan Smith.
