Description:

The search for wisdom invariably leads us back to the places we've overlooked.

The Little Red Book of Wisdom takes the reader on a journey so often sidestepped in favor of the newer, quicker, easier. If you're seeking simplicity in a complicated world, Mark DeMoss's insights will illuminate your path to a wiser and more deliberate way of living. By illuminating the notions of integrity, humility, and self-restraint, DeMoss demonstrates what is possible when we value listening

and thinking over talking and doing.

- Learn why a postage stamp is worth much more than 44 cents, and what time of day wisdom flourishes.
- Find out the wisest decision anyone can make, and the value of eating lunch alone.
- Rethink the advantages of technology, and learn how to safeguard yourself against any shadow of deathbed regret.

Step out of the incessant business of your daily life, and spend a few moments learning timeless and foolproof truths that you can apply right away. Wisdom is not just for past generations; it calls to us today. We need only respond.
